All 12 and under swimmers having to swim-up in an age group, will swim up to the 13/14 age group and may only compete if they have met the requirements for their chosen events, (rule 6.3) in the 13/14 age group. The meet will take place in two 25-yard pools. The swimmers will be separated by Male and Female events. Male swimmers will be at the south pool (Texas Flag) and Female swimmers will be at the north pool. *(This coincides with the location of the male / female locker rooms).*

All 25-yard events will be starting from the **bulkhead** side of the pools. 50 yard and 100 yard events will start from the starting block side of the pools.

CHECK-IN: Each team will be responsible for checking in their swimmers. There will be **NO deck entries** allowed.

DECK ACCESS: Only AAU and NWSC registered swimmers who are entered in the meet, coaches, officials and volunteers on the official volunteer list will be allowed access beyond the front desk of the Texas Swimming Center. Those volunteering for Team Parent, Timer, Starter, Announcer, Stroke Judge, Runner, Ready Bench, Computer, Head Stroke Official, and Post Meet Director will be given a Deck Pass to access the deck area and must be helping for that specific purpose. Any non-registered individuals not respecting these rules will be removed from that area or from the facility at the discretion of the Meet Director, Northwest Swim Circuit officials or Texas Swimming Center Staff.

The team Circuit Representative or designated Team Official is responsible for identifying those volunteers prior to the meet. Be sure to select individuals who are certified, qualified, and experienced for Starter and Stroke Judge positions.

WARM-UP, LANE, POOL and TIME ASSIGNMENTS:

Two warm-up sessions:

First Session: 9:45 – 10:15 am

Second Session: 10:20 – 10:50 am

First 20 minutes for Swimming ONLY

Last 10 minutes for Starts

- All Starts will take place in the main pool, so teams that begin warming up in the Diving Well will move to the main pool.

Separate Starts practice is to ensure safety of swimmers by avoiding diving in one lane next to a lane of swimmers. This will be strictly enforced. Your team's warm-up will be cut short if not followed.

The diving well will be used for warm-ups by some teams and then will also be available during the meet for swimmer warm-up and cool down. Remind your swimmers that the use of the diving well pool during the meet is for limited warm-up/cool down time – **not for play time**. If any swimmer is identified as not using this pool as intended they will be removed from the diving well and not allowed to return for the duration of the meet.
