ADDITIONAL INFORMATION FOR INVITATIONALS

The UT Swim Center is located on the University of Texas Campus, one block west of I-35 on the northwest corner at the intersection of Martin Luther King Boulevard and Red River Street. Parking will be allowed in lot 70/99/80 for the meet. Parking enforcement for "yellow curbs", "double parking", "disabled spaces" and "at all times" spaces remain in effect. For more information check the Parking and Transportation web site at www.utexas.edu/parking/ or call the TSC front desk at 471.7703. Parking fines can be expensive on campus. There is also a parking garage across MLK blvd (Trinity Garage) and one next to the Soccer Stadium (Manor Garage) available.

Team Seating Locations are assigned by the circuit. The team seating area is on the north end – in the bleachers under the American Flag. We will be sharing this end with 2 other teams. Plan on sitting in the end closest to the locker rooms (the right side as you face the bleachers). This is the end closest to the spectator seating.

All **parent volunteers** should check in and wear their name tags during the meet. You will be given a deck pass when you check in. Be prepared to show this to anyone who asks for it. No one else is allowed on deck, you will probably not even be allowed on "deck level".

Spectator seating is individual stadium-style chairs. Concessions is one level up from the swim deck, and one level down from the front entrance. Restrooms are available on both the main and the concessions levels.

Bring your own **heat sheets**, they will not be available at the Meet.

The diving well will be available during the meet for swimmer warm-up and cool down. Remind your swimmers the use of the pool is not for extended time – it is not for play time. If any swimmer is identified as not using this pool as intended they will be removed from the diving well and not allowed to return for the duration of the meet. Deck parents – please help monitor this usage – really only the older kids should be using it anyway.

It is fine to cheer on your teammates, as long as you stay off the pool side walkways, do not block access to the pools, or get in the way of meet officials, including timers.

Enjoy the experience. The kids are getting a chance to swim in one of the "fastest" pools in the country in a premier facility.

Let me know if you have any Questions.
